

Museum Exploration LEAP Project

Does one of our museum exhibits make you think about something?

Complete this project and turn in the bottom of the page at the St. George Children's Museum. Each submission is one entry into the raffle at our end of year bash. You can submit multiple entries during the school year for more chances to win fun prizes.

Good luck, and have fun as you **Learn Explore And Play!**

What is your question? (Example: How do magnets work?):

How can you answer this question? (Example: Find a book about magnets at the library.)

Did you find an answer to your question? If so, what was it?

Please return this portion of the assignment to St. George Children's Museum front desk staff.
